

\$24.95 Warner Bros. Publications (P0961GTA)
 11 Solo Guitar Pieces - 7 Ensembles

Includes tablature & performance notes,
 companion CD featuring a *Classical Gas*
 solo guitar track and special band & orchestra
 track for you to play along with.

Also includes *Classical Gas* feature stories,
 photos, recording history,
 Mason Williams concerts, biography,
 awards & more!

*An absolutely beautiful book!
 Much more than a music book,
 it's an engaging story of a man whose
 creative life far exceeds
 his many career accomplishments.*
